

Survey of United States History – C121

[Course Feedback](#)

Overview

This course presents a broad and thematic survey of U.S. history from European colonization to the mid-twentieth century. Students will explore how historical events and major themes in American history have affected a diverse population.

Competencies

▲ The Making of Modern America

The graduate explains significant international and domestic challenges that the United States confronted since World War I.

▲ Reconstruction and the Age of American Imperialism

The graduate examines the major changes that defined the United States in the late-nineteenth and early-twentieth centuries.

▲ The Early Republic and the American Civil War

The graduate analyzes the challenges of partisan politics and sectionalism in the Early Republic and Civil War eras.

▲ English Colonization and the Road to Revolution

The graduate analyzes the colonial experience and the foundations of the American Revolution.

Learning
