

Course Competency Report by Code

Code: C155

Pathopharmacological Foundations for Advanced Nursing Practice (C155)

Course of Study:

Course Level: Graduate

Course Division: First Year Master's

Discipline: Nursing

Course Type:

Department: Health Professions

COMPETENCY #	COMPETENCY NAME	COMPETENCY TEXT
7002.1.1	Pathophysiology	The graduate evaluates high volume-high impact disease processes including associated pharmacological interventions and implications for advanced practice.
7002.1.2	Evaluation of Pharmaceutical Impact	The graduate analyzes pharmaceutical impacts, including physiological, psychological, financial, and lifestyle factors on the selected disease processes.
7002.1.3	Managing Care Transitions	The graduate evaluates salient pharmacological issues in managing patient care transitions.
7002.1.4	Salience	The graduate distinguishes between general information and relevant assessment findings to manage and minimize pathologies and risk factors to promote optimal patient outcomes.
7002.1.5	Care Management	The graduate integrates relevant patient and population data to develop pathopharmacological management strategies for populations.
