Classification Systems – C808
Course Feedback

Overview

Classification Systems provides a comprehensive approach to learning about medical coding classification, coding audits and quality standards. Students will be exposed to electronic health record systems and leadership principles as they relate to management of ICD and CPT codes. There are no prerequisites for this course.

Competencies

- **Healthcare Classification Systems**
  The graduate examines the functions and relationships between healthcare classification systems.

- **Coding Quality**
  The graduate recognizes the impact of coding quality for the maximum reimbursement of a given healthcare organization related to a coding compliance program.

- **Clinical Terminology**
  The graduate examines the purpose, content, and structure of SNOMED CT.

- **Electronic Applications**
  The graduate evaluates electronic applications that support interoperability, daily audits, and provider technology.

- **Leadership**
  The graduate determines organizational and departmental readiness for change based on health records documentation requirements set forth by external agencies (e.g., certifications, accreditation, licensing, regulatory).
Welcome to Classification Systems! When you are ready to begin the course, select the “Go to Course Material” button to access Soomo, the primary learning platform and where you will find your learning materials. Each topic in the course will relate to specific modules in Soomo. A pacing guide is provided as a suggestion for weekly goals and time management. Your mentor will help guide you in how to best schedule time for reading and coursework, help you prepare for the pre-assessment, and provide feedback on your progress. Frequent communication with your mentor will help you succeed. Competency will be demonstrated by the successful completion of an objective assessment at the end of the course.

Assessments

- **Pre Assessment: Classification Systems**
  - Status: Not Attempted
  - # of Items: 68
  - Time Allotted: 90 minutes
  - Code: PCKO

- **Objective Assessment: Classification Systems**
  - Status: Not Attempted
  - # of Items: 68
  - Time Allotted: 90 minutes
  - Code: CKO1

A score of Competent or Exemplary is required to pass all assessments. Passing a preassessment does not guarantee you will pass the high stakes assessment.
On objective assessments, you will be charged a retake fee for the third attempt and every attempt thereafter. For more information, click here.
