Practicum in Educational Leadership - Focus on Instruction and Operations – D037
Course Feedback

Overview

Practicum in Educational Leadership - Focus on Instruction and Operations provides candidates with an authentic, real-world work experience as an educational leader in a K–12 school environment. This is the second of a two-part experience designed to take place under the leadership and supervision of a practicing school principal or assistant principal at an approved practicum school site (K–12). This course includes an emphasis on the application of knowledge and skills to areas affecting school operations and school personnel. The course also includes the completion of assigned administrative duties in a K–12 setting, as defined by the candidate’s state of residence, under the supervision of the cooperating administrator of the candidate’s approved practicum site. Prior to enrolling in this practicum course, the candidate must complete a minimum of 18 CUs.

Competencies

- **Focus on Instruction and Operations**
  The graduate develops leadership strategies to maximize the effectiveness of instructional, operational, and human capital capacities.

Learning

**Getting Started**

Welcome to Practicum in Educational Leadership: Focus on Instruction and Operations! In this course you will perform activities and undergo evaluations separated into three areas. The first consists of a performance assessment focusing on areas related to instruction and assessment. In the second area you are required to complete multiple administrative duties in a K-12 setting, as defined by your state of residence, under the supervision of a cooperating administrator at your approved practicum site. The third focus of this course is an evaluation during your practicum by an assigned clinical supervisor. The overall score you may earn is the result of the scores of the multiple evaluation activities occurring over your entire practicum experience.
