Your competency will be assessed through the Clinical Practicum (DBT1). This course of study may take up to 10 weeks to complete.

**Introduction**

The Clinical Practicum (DBT1) is integrated with the didactic course for Nursing Role Transitions (CFV1). All learning resources, and the Soomo learning environment for this portion of the course, are also utilized in the CFV1 course of study.

**Outcomes and Evaluation**

There are 5 competencies covered by this course of study; they are listed in the "Competencies for Nursing Role Transitions & Clinical Practicum (DBT1)" page.

**Nursing Dispositions Statement**

Please review the [Statement of Nursing Dispositions](#).

You will complete the following assessments as you work through the course of study.

**DBT1 Assessment in the Clinical Practicum**

Once you have completed the requirements to attend the practicum, and have received approval from the Course Mentor, you are ready to engage in the clinical practicum for this course. The Clinical Placement Scheduler will notify you of your clinical placement, and the Course Mentor will issue approval to begin the practicum, based on your completion of the requirements. Once in the practicum, you are expected to adhere to professional standards in clinical practice. Please refer to the Student Handbook and the CFV1 COS for more information.

**Preparing for Success**

The information in this section is provided to help you become ready to complete this course of study. As you proceed, you will need to be organized in your studies in order to gain competency in the indicated areas and prepare yourself to pass the final assessments.

**Your Learning Resources**

The learning resources listed in this section will be required to complete the activities in this course of study. Follow the instructions provided to access these resources as early as possible in order to give yourself time to become familiar with them.

**Automatically Enrolled Learning Resources**

The Clinical Practicum (DBT1) is taken together with and completed in progressive fashion with the didactic assessment for Nursing Role Transitions (CFV1). You will be automatically enrolled in all of
the learning resources for these assessments. They are found within the following Soomo environment.

**Soomo Learning Environment**  
The following learning environment will be utilized as the primary learning resource for completion of this course of study:

- [Nursing Role Transitions & Clinical Practicum](#)

For a complete listing of the resources utilized in the Soomo environment, please see the Nursing Role Transitions course of study (CFV1).

**Additional Preparation**

There are many different learning tools available to you within your course of study in addition to the learning resources already discussed. Take the time to familiarize yourself with them and determine how best to fit them into your learning process.

**Nursing Standards**

You will be able to access Nursing Professional Standards as they apply to your program through the WGU Library. Please access these documents at the following website:

- [Nursing Standards E-Reserves](#)

**Clinical Practicum**

**Preparing for Clinical Practicum**  
Once you have completed the requirements to attend the practicum, and have received approval from the Course Mentor, you are ready to engage in the clinical practicum for this course. The Clinical Placement Scheduler will notify you of your clinical placement, and the Course Mentor will issue approval to begin the practicum, based on your completion of the requirements. Once in the practicum, you are expected to adhere to professional standards in clinical practice. Please refer to the Student Handbook and the CFV1 COS for more information.

**Attend Clinical Practicum**  
Your competency in clinical learning will be assessed through your performance in the Clinical Practicum (DBT1).

**Nursing Role Transitions & Clinical Practicum Learning Environment**

All reading activities, discussion questions, quizzes, and learning resources for this course of study are found by accessing the Nursing Role Transitions & Clinical Practicum learning environment.
Learning Environment

In this learning resource, you will be able to complete the activities and reading assignments to prepare for the assessment for this course; answer the quizzes to gauge your learning; and communicate with your mentor and other students as you study.

Learning Materials

Access the learning environment for this course at the link below and complete the readings, activities, and quizzes for the following section:

- Nursing Role Transitions & Clinical Practicum

Final Steps

Congratulations on completing the activities in this course of study! This section will guide you through the assessment process.

Assessment Information

The activities in this course of study have prepared you to complete the DBT1 clinical practicum. If you have not already completed the assessment, you will do so now.

Clinical Practicum Assessment

You will complete the following clinical practicum assessment:

- DBT1

For details on this assessment, please see the learning environment for this course of study.

Feedback

WGU values your input! As part of an opportunity to participate in student governance within the nursing program, we encourage students to provide feedback upon course completion. Please remember to utilize the Feedback form below to contribute your comments for the course. Thank you!
To provide feedback for this course of study, please use the College of Health Professions COS Feedback form.

Accessibility Policy

Western Governors University recognizes and fulfills its obligations under the Americans with Disabilities Act of 1990 (ADA), the Rehabilitation Act of 1973 and similar state laws. Western
Governors University is committed to provide reasonable accommodation(s) to qualified disabled learners in University programs and activities as is required by applicable law(s). The Office of Student Accessibility Services serves as the principal point of contact for students seeking accommodations and can be contacted at ADASupport@wgu.edu. Further information on WGU's Accessibility policy and process can be viewed in the student handbook at the following link:
