A transcript evaluation is completed once official transcripts from all previously attended institutions have been received by WGU. Please note that transcripts must be sent to WGU directly from the issuing institution to be considered official. WGU does not perform unofficial evaluations or accept unofficial transcripts. The guidelines below will provide a good indication of expected transfer credit. Official transcript evaluations will occur in the month prior to your start. Transcripts are processed in the order they are received. Please contact your Enrollment Counselor if it has been more than 15 business days since your transcripts have been received and you have not received an evaluation. Transfer credit will not be awarded for transcripts received after your first term start date. Transfer credit awarded for the Business, Information Technology, or Health Professions College programs may not apply if a program change is made to the WGU Teacher’s College.

The assessments listed below are eligible for transfer credit; refer to your program guide for a complete listing of program requirements.

COURSES ACCEPTED FOR TRANSFER CREDIT:
- Must be college level from an institution that is recognized as Nationally or Regionally accredited by the U.S. Department of Education. For a list of USDE recognized National and Regional accrediting agencies, Click Here.
- Must have been awarded a grade of C- or better.
- May not be used to fulfill more than one course of study.
- Must meet the competency unit and content equivalency requirements.
- Courses in Information Technology and certifications must be completed within five years of start date, or determined valid by certifying vendor, whichever is less.

COURSES SATISFIED BY AN ASSOCIATE OR BACHELOR’S DEGREE:
- Where transfer credit does not apply, courses may receive a Requirement Satisfied (RS).
- Courses that receive a Requirement Satisfied can be fulfilled by an Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science from a Regionally or Nationally accredited institution. (Accrediting agency recognized by The U.S. Department of Education)
- In certain cases, the degree must be in a specific field of study.
- Requirement Satisfied by degree does not apply to all courses or programs at WGU. A change in majors at WGU may result in the removal of credit.
- Degrees in Information Technology must be awarded within five years of start date.

***PRE-REQUISITE ADMISSION REQUIREMENTS FOR ALL BACHELOR’S I.T. PROGRAMS
- Possess a high school diploma or its equivalent.
- Demonstrate IT experience through at least one of the following:
  - An Associate’s Degree in Information Technology or equivalent (A.S. or A.A.S. acceptable).
  - A completed Udacity nanodegree in Data Analytics (applicable to the B.S. in Data Management/Data Analytics degree only).
  - High-level IT coursework completed within the last five years:
    - Two or more upper-level Networking courses; or
    - Two or more upper-level Object-Oriented Programming courses (Java, C#, etc.); or
    - One or more upper-level Operating Systems course; or
    - One or more upper-level Information Security and Assurance Courses.
  - Hold high-level IT certification in network, security, programming, data management, operating systems, or hardware management earned within the last five years.
  - Submit a resume showing three-plus years of IT work experience.
Only the assessments listed below are eligible for transfer credit; refer to your program guide for a complete listing of degree requirements.

### Foundations
The requirements below may be satisfied by an Associate's or Bachelor's degree for this program.

<table>
<thead>
<tr>
<th>CODE</th>
<th>ASSESSMENT</th>
<th>CU</th>
<th>REQUIREMENT FOR TRANSFER</th>
</tr>
</thead>
<tbody>
<tr>
<td>C463</td>
<td>Intermediate Algebra</td>
<td>3</td>
<td>One course in Intermediate Algebra or a course at a higher level than Intermediate Algebra.</td>
</tr>
</tbody>
</table>

### Language and Communication
The requirements below may be satisfied by an Associate's or Bachelor's degree for this program.

<table>
<thead>
<tr>

### C173 Scripting and Programming – Foundations

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>One course in Software Development: Introduction to Algorithms or one of the following certifications: Sun for the Java Platform, Standard Edition 6 (CX-310-065) or Edition 5 (CX-310-055) or Edition 1.4 (CX-310-035), Oracle Certified Associate (OCA, Java SE 7 Programmer (Programmer I exam: 1Z0-803 Java SE 7 Programmer I and/or 1Z0-804 Java SE 7 Programmer II), Microsoft MTA: Software Development Fundamentals (98-361), MCSD for Microsoft .NET, MCAD, MCPD Windows, MCPD Enterprise, Sun Certified Business Component Developer (SCBCD), Sun Certified Developer for Java Web Services (SCDWS), Sun Certified Developer (SCJD), Sun Certified Mobile Application Developer (SCMAD), Sun Certified Web Component Developer (SCWCD), Sun Certified Enterprise Architect (SCEA).</td>
<td></td>
</tr>
</tbody>
</table>

*C173 can be satisfied by an Associate degree or higher in Information Technology.*

### C175 Data Management – Foundations

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>One Database Course or one of the following Certifications: CIW Database Specialist/ Database Design Specialist (1DO-441 or 1DO-541) or certification in one of the following areas: MCDBA, MCTS: SQL Server (70-431, 70-432, or 70-445), MCSE: SQL Server 2012, MCSE: Data Platform, MCSE: Business Intelligence, MCSE: SQL Server 2012, MCITP: Bus Intell Dev, MCITP: Database Dev, MCITP: Database Admin, MCA: Database, MTA: Database Fundamentals (98-364), Oracle 9i Admin Linux Special or 10g Linux Database Admin, IBM DB2, IBM Certified Database Associate, IBM Certified Database Administrator, IBM Certified Application Developer, or IBM Certified Advanced Database Administrator.</td>
<td></td>
</tr>
</tbody>
</table>

*C175 can be satisfied by an Associate degree or higher in Information Technology.*

### C179 Business of IT- Applications

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Can be satisfied by a Business of IT Applications course, equivalent to 3 units. Information Systems Management may not be transferred unless a course for Information Systems Management is presented and accepted for transfer credit.</td>
<td></td>
</tr>
</tbody>
</table>

*C179 can be satisfied by an Associate degree or higher in Information Technology. Must have been completed or renewed with the past 5 years to be considered for transfer.*

### Security Emphasis
