

College of Information Technology

Undergraduate Transfer Evaluation Guidelines

Bachelor of Science in Information Technology: Software Development

A transcript evaluation is completed once official transcripts from all previously attended institutions have been received by WGU. Please note that transcripts must be sent to WGU directly from the issuing institution to be considered official. WGU does not perform unofficial evaluations or accept unofficial transcripts. The guidelines below will provide a good indication of expected transfer credit. Official transcript evaluations will occur in the month prior to your start. Transcripts are processed in the order they are received. Please contact your Enrollment Counselor if it has been more than 15 business days since your transcripts have been received and you have not received an evaluation. Transfer credit **will not** be awarded for transcripts received after your first term start date. Transfer credit awarded for the Business, Information Technology, or Health Professions College programs may not apply if a program change is made to the WGU Teacher's College.

The assessments listed below are eligible for transfer credit; refer to your program guide for a complete listing of program requirements.

COURSES ACCEPTED FOR TRANSFER CREDIT:

- **Must be college level from an institution that is recognized as *Nationally or Regionally* accredited by the U.S. Department of Education. For a list of USDE recognized National and Regional accrediting agencies, [Click Here](#).**
- Must have been awarded a grade of C- or better.
- May not be used to fulfill more than one course of study.
- Must meet the competency unit and content equivalency requirements.
- Courses in Information Technology and certifications must be completed within five years of start date, or determined valid by certifying vendor, whichever is less.

COURSES SATISFIED BY AN ASSOCIATE OR BACHELOR'S DEGREE:

- Where transfer credit does not apply, courses may receive a Requirement Satisfied (RS).
- Courses that receive a Requirement Satisfied can be fulfilled by an Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science from a Regionally or Nationally accredited institution. (Accrediting agency recognized by The U.S. Department of Education)
- In certain cases, the degree must be in a specific field of study.
- Requirement Satisfied by degree does not apply to all courses or programs at WGU. A change in majors at WGU may result in the removal of credit.
- Degrees in Information Technology must be awarded within five years of start date.

*****PRE-REQUISITE ADMISSION REQUIREMENTS FOR ALL BACHELOR'S I.T. PROGRAMS**

- Possess a high school diploma or its equivalent.
- Demonstrate IT experience through at least one of the following:
- An Associate's Degree in Information Technology or equivalent (A.S. or A.A.S. acceptable).
- A completed Udacity nanodegree in Data Analytics (applicable to the B.S. in Data Management/Data Analytics degree only).
- High-level IT coursework completed within the last five years:
 - Two or more upper-level Networking courses; or
 - Two or more upper-level Object-Oriented Programming courses (Java, C#, etc.); or
 - One or more upper-level Operating Systems course; or
 - One or more upper-level Information Security and Assurance Courses.
- Hold high-level IT certification in network, security, programming, data management, operatingsystems, or hardware management earned within the last five years.
- Submit a resume showing three-plus years of IT work experience.

Only the assessments listed below are eligible for transfer credit; refer to your program guide for a complete listing of degree requirements.

Language and Communication - The requirements below may be satisfied by an Associate or Bachelor's degree.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C455	English Composition I	3	One course in English composition, equivalent to 3 units, excluding business and technical writing.
C464	Introduction to Communication	3	One additional course in Speech and Communication, equivalent to 3 units.
C768	Technical Communication	3	One course on Technical Communication, equivalent to 3 units.

Quantitative Literacy - The requirements below may be satisfied by an Associate or Bachelor's degree.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C278	College Algebra	4	One course in College Algebra or a course at a level higher than College Algebra (Calculus, Trigonometry, Linear Algebra).
C459	Introduction to Probability and Statistics	3	One course in Statistics or a course at a level higher than College Algebra (Calculus, Trigonometry, Linear Algebra).

Humanities - The requirements below may be satisfied by an Associate (except Associate of Applied Science) or Bachelor's degree.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C100	Introduction to Humanities	3	One course, equivalent to 3 units, in the humanities (i.e. literature, visual and performing arts, music, theatre, philosophy, ethics or religious studies).

Social Science - The requirements below may be satisfied by an Associate or Bachelor's degree.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C255	Introduction to Geography	3	One course in Geography. *This requirement can also be satisfied by one course, equivalent to 3 units, in the behavioral or social sciences (i.e. history, anthropology, sociology, psychology, economics or political science).
C181	Survey of United States Constitution and Government	3	One course, equivalent to 3 units, in United States government and the US Constitution. * Can be satisfied by an Associate or Bachelor's Degree.

Reasoning and Problem Solving The requirements below may be satisfied by an Associate's or Bachelor's degree for this program.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C168	Critical Thinking and Logic	3	One course, equivalent to 3 units, in critical thinking, reasoning, argument or logic.

Natural Science - The requirements below may be satisfied by an Associate or Bachelor's degree.			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C165	Integrated Physical Science	3	One course, equivalent to 3 units, in Physical Science (Chemistry, Geology, Physics, Astronomy).

C683	Natural Science Lab	2	One course, equivalent to 2 units, in a Natural Science (Chemistry, Geology, Physics, Astronomy, Biology) lab component.
------	---------------------	---	--

Organizational Behavior and Management Principles

CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C484	Organizational Behavior	3	One course, equivalent to 3 units, in organizational behavior.

Information Technology Core

CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C182	Introduction to IT	4	One course, equivalent to 4 units, in Introduction to IT. *Course can be satisfied by an associates or bachelor's degree in <u>Information Technology</u> . This course must have been taken with the past 5 years to be considered for transfer.
C393	IT Foundations	4	Certification in CompTIA A+.
C394	IT Applications	4	Certification in CompTIA A+.
C173	Scripting and Programming – Foundations	3	One course in Software Development: Introduction to Algorithms or one of the following certifications: Sun for the Java Platform, Standard Edition 6 (CX-310-065) or Edition 5 (CX-310-055) or Edition 1.4 (CX-310-035), Oracle Certified Associate (OCA, Java SE 7 Programmer (Programmer I exam: 1Z0-803 Java SE 7 Programmer I and/or 1Z0-804 Java SE 7 Programmer II), Microsoft MTA: Software Development Fundamentals (98-361), MCSD for Microsoft .NET, MCAD, MCPD Windows, MCPD Enterprise, Sun Certified Business Component Developer (SCBCD), Sun Certified Developer for Java Web Services (SCDJWS), Sun Certified Developer (SCJD), Sun Certified Mobile Application Developer (SCMAD), Sun Certified Web Component Developer (SCWCD), Sun Certified Enterprise Architect (SCEA). <i>*C173 can be satisfied by an Associate degree or higher in Information Technology.</i>
C172	Network and Security – Foundations	3	One Networks Course or one of the following Certifications: CompTIA Network+ , CompTIA Security+, MCSE (2003), MCSA (2003), MCSA (Server 2008/2012/2016), MCITP Enterprise Administrator, MCITP Server Administrator, MTA: Networking Fundamentals (98-366), CCENT, CCDA, CCIE, CCNA, CCNA: Voice, CCNA:Wireless, CCNA:Security, CCDP, CCIP, CCNP, CCNP: Security, CCNP: Voice, CompTIA DHTI+, CompTIA Convergence +, Oracle Sun Certified Network Administrator (SCNA), Sun Certified Systems Administrator (SCSA), Sun Certified System Administrator for Sun Cluster 3.2, Oracle Linux Administrator. <i>*C172 can be satisfied by an Associate degree or higher in Information Technology.</i>
C175	Data Management – Foundations	3	One Database Course or one of the following Certifications: CIW Database Specialist/ Database Design Specialist (1D0-441 or 1D0-541) or certification in one of the following areas: MCDBA, 70-461 Querying Microsoft SQL Server 2012/2014, MCSA: SQL Server 2012, MCSE:Data Platform, MCSE:Business Intelligence, MCSE: SQL Server 2012, MCITP: Bus Intell Dev, MCITP: Database Dev, MCSA: Database, MTA: Database Fundamentals (98-364), IBM Certified Database Associate, IBM Certified Application Developer, <i>*C175 can be satisfied by an Associate degree or higher in Information Technology.</i>

C846	Business of IT – Applications	4	Can be satisfied by a Business of IT Applications course, equivalent to 4 units, or can be satisfied by an ITIL Foundations certification. <i>*C846 can be satisfied by an Associate degree or higher in Information Technology. Must have been completed or renewed with the past 5 years to be considered for transfer.</i>
C779	Web Development Foundations	3	One Course in Web Programming or one of the following Certifications: CIW Site Designer/Web Design Specialist (CIW 1DO-520 or 1DO-420), CIW Advanced CIW HTML5 and CSS3 Specialist (CIW 1DO-620), Programming in HTML5 with JavaScript and CSS3 (MCDS 70-480), HTML5 Application Development Fundamentals (MTA 98-375). <i>*C779 can be satisfied by an Associate degree or higher in Information Technology.</i>

Software Development Emphasis			
CODE	ASSESSMENT	CU	REQUIREMENT FOR TRANSFER
C867	Scripting and Programming	4	A second course in programming in an object oriented language equivalent to 4 CUs (C++, Java, C#, VB.NET, Objective C, Python, Ruby, Perl) <i>*C173 must be transferred before C867 may be considered for transfer credit.</i>
C777	Web Development Applications	6	A second course in Web Design or Development or one of the following Certifications: Advanced CIW HTML5 and CSS3 Specialist (CIW 1DO-620) or CIW Web Design Professional
C170	Data Management – Applications	4	A second Database Course or one of the following Certifications: CIW Database Specialist/ Database Design Specialist (1DO-441 or 1DO- 541), MCDBA, 70-461 Querying Microsoft SQL Server 2012/2014, MCSE:Data Platform, MCSE:Business Intelligence, MCITP: Bus Intell Dev, IBM Certified Database Associate, , IBM Certified Application Developer, or IBM Certified Advanced Database Administrator.
C176	Business of IT – Project Management	4	One course in Project Management or one of the following certifications: CompTIA Project+ , PMP, CAPM, CASP, MCTS: Enterprise Project Management (70-633) or MCITP: Enterprise Project Management.
C482	Software I	6	Oracle Certified Professional Java SE 6 Programmer/Sun Certified Java Programmer (SCJP), Oracle Certified Associate (OCA, Java (SE 7 or 8) Programmer, MCPD Windows, MCPD Enterprise, MCPD .NET Framework 2.0 Distributed Applications, MCAD, or MCSD for Microsoft .NET.
C195	Software II – Advanced Java Concepts	6	Oracle Certified Professional Java (SE 7 or 8)Programmer
C773	User Interface Design	4	One Course on User Interface Design or User Experience Design equivalent to 4 CUs or CIW User Interface Design Specialist certification.
C856	User Experience Design	3	A second course on User Interface Design or User Experience Design equivalent to 3 CUs or CIW User Interface Design Specialist certification.
C754	Structured Query Language	4	One of the two certifications: Oracle 12c SQL Fundamentals 1z0-061 or Oracle Database SQL Expert 1z0-047

C857	Software Quality Assurance	3	One course in Software Quality Assurance or Software Testing equivalent to 3 CUs.
C196	Mobile Application Development	3	One course in Mobile Application Development equivalent to 3 CUs.

Effective October 15, 2017
