## Graduate Transfer Evaluation Guidelines

### Endorsement Preparation Program in Educational Leadership

A transcript evaluation is completed once official transcripts from all previously attended institutions have been received by WGU. Please note that transcripts must be sent to WGU directly from the issuing institution to be considered official. WGU does not perform unofficial evaluations or accept unofficial transcripts. The guidelines below will provide a good indication of the co-requisite course that can be met by prior coursework. Transcripts are processed in the order they are received. Please contact your Enrollment Counselor if it has been more than 15 business days since your transcripts have been received and you have not received an evaluation. Transfer credit **will not** be awarded for transcripts received after your first term start date. *The assessments listed below are eligible for transfer credit; refer to your program guide for a complete listing of program requirements*
